

Keep this supplement for Handy Reference!

The QCC really enjoys bringing you these Preferred and Discount services as part of your membership benefits. As always, we encourage you to shop and compare other similar services that may be more appropriate to your specific needs.

We will always try to bring you a mix of services that we think might be commonly accessed by most of our members. There are other deals that we would like to or have tried to negotiate on your behalf. Unfortunately, for various reasons, the response we sometimes receive from vendors is not always encouraging. We will continue to negotiate on your behalf and try our best to bring you a variety of services, including those suggested by our members.

So keep a look-out for new membership benefits in future QCC *Trillium* issues. In the meantime, do keep us informed of your experiences if you have used any of these services, or of any new services that you would particularly like us to bring you.

We like to hear from you.

Contact us by email at Hqclub@ontario.ca or phone the QCC office at 416-325-1333; toll-free: 1-800-561-8657.
